PRIYA PATHAK

Software Developer

pathak.priya1975@gmail.com | 7982731945 | Linkedin | Leetcode | Portfolio | Github

EDUCATION

Guru Nanak Dev Institute of Technology	Rohini, Delhi
Diploma in Computer Science	*2018 - 2021*
Percentage: 85%	

ABES Institute of Technology	Ghaziabad, Uttar Pradesh
Bachelor Of Technology Computer Science(Data Science)	*2021 - 2024*
CGPA: 7.2	

EXPERIENCE

Tecksaksham Edunet | Training   July 2023 - December 2023

Full stack training immersed me in front-end technologies and refining my skills in database management. Hands-on projects equipped me to create dynamic, scalable web applications while emphasizing collaborative development practices.

SKILLS

Programming Languages: Java,Python, C, Javascript, Html/CSS
Libraries/Frameworks: Reactjs, Tailwind CSS, Bootstrap, Node.js(beginner)

Tools / Platforms: Git, Github
Databases: MySQL

PROJECTS

Earthquake Prediction Portal | Link   Html/Css, Javascript, Bootstrap, Jquery, LSTM

Used machine learning and data analysis methods to improve seismic activity forecasting as part of the creation of an earthquake prediction portal. worked on predictive model development with multidisciplinary teams.

Menova - An E-commerce Platform   Html, Css, Javascript

Menova is a responsive online store created specifically for the sale of collections of men's clothing. A streamlined and user-friendly interface that improves the shopping experience on all platforms is the main goal of this HTML, CSS, and JavaScript-built website.

Fitter - a fitness platform   ReactJs, Material UI

With the help of the ExerciseDB API, this dynamic online application for fitness offers users a variety of workouts catered to particular body regions. The app provides comprehensive exercise information to assist users in creating customized training regimens, regardless of the region of focus—arms, legs, core, or anything else.

Human Resource Management System   Java, MySQL, AWT, Swing

AWT, Swing, and MySQL were used to create a Java HR administration System for thorough personnel data administration. effectively managed payroll, attendance, and performance reviews while demonstrating a good command of Java programming and database integration.

CERTIFICATIONS

- Bootcamp on Data Science and Tools - Abesit
- Applied Cloud Computing for software development - Techsaksham-Edunet Foundation.
